It is our good pleasure to have the opportunity of working with a group of cattlemen so totally dedicated to the improvement of, not only their own breed, but to the entire beef cattle industry. This, we have found to be true in working with the members of The Wyo-Braska Shorthorn Association.

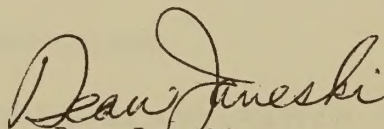

Here we have a group of Shorthorn Breeders, who, through their dedicated efforts in providing better quality breeding stock year after year and presenting them to the buying public on the basis of how well they will perform for you and on the basis of how many extra dollars they will put in your pockets through a well planned cross-breeding program that has made this 17th annual show and sale the premier event it is today.

I say this because this business of breeding cattle today is far removed from the past. No longer will we buy a bull solely for the purpose of getting a calf crop. Economics of our time demand that we get the most from every dollar invested in our operation.

And from the standpoint of investing in seed stock, I wonder if there was ever a time when it was more important to visualize the return from that investment, than the original investment itself.

The members of The Wyo-Braska Shorthorn Association have selected a set of bulls and females that will give you that extra return from the money you spend for your breeding stock.

If any of us on the sales force or any of the consignors can be of any assistance to you in any way, please feel free to call on us.

  
Dean Janeski  
Sale Manager

## GENERAL INFORMATION

**TIME**—The sale will be held Saturday, December 6, 1969, starting promptly at 12:30 p.m. The show will get underway at 9:30 a.m.

**LOCATION**—The sale will be held in the heated pavilion at the Scotts Bluff County Fair Grounds at Mitchell, Nebraska. Mitchell is only nine miles west of Scottsbluff on U.S. Highway No. 26.

**TERMS**—The terms of this sale are cash unless other arrangements have been made in advance with the consignor from whom you purchase and the sale manager has been notified of the arrangements. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

**GUARANTEE**—All cattle sold in this sale will be protected under the Standard Guarantee endorsed by the American Shorthorn Association.

**LIABILITY**—Each transaction in this sale will constitute a contract between the buyer and the seller of each lot. The auctioneers, clerk, and sale manager have been employed by the consignors for specific tasks not connected with the handling of cattle or the condition of the premises, and they accept no liability, legal or otherwise, for the buying contract or for any accident. Every effort will be provided for the comfort and safety of those attending this sale, but sellers or Wyo-Braska Association officers and directors cannot accept liability for injuries that may occur. Accidents at cattle sales are rare, but all attending must do so at their own risk. Statements from the block will take precedence over information in the catalog.

**CERTIFICATE OF REGISTRY**—A certificate of registry will be furnished with each cataloged lot and the certificate will be transferred to the buyer without cost to him. Application for registry, properly signed, will be furnished for each unborn calf sold in dam.

**PRE-SALE GET TOGETHER**—A no-host social hour and dinner will be held on Friday evening, December 5, 1969 at the Little Moon Lake Supper Club, located one mile south of Henry, Nebraska on the Nebraska Wyoming state line. Starting time is 7:00 p.m., December 5.

**SALE HEADQUARTERS**—Sale headquarters will be at Pedersens Motel, Mitchell, Nebraska. You may contact the management here after December 4 by calling 308 623-1314.

## STANDARD GUARANTEE

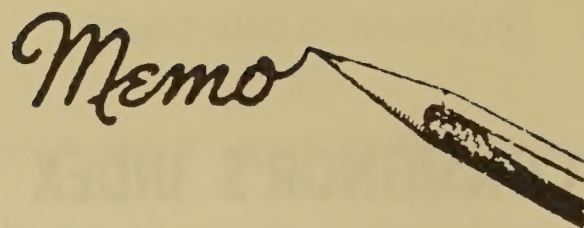

### OF AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such certificate is required by the seller.
6. All animals are sold to comply with the laws regulating tuberculosis and Bang's disease of the state or county into which they may be shipped.
7. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
8. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animals are bid off.
